OUR OPERATION PROCEDURES AND TERMS & CONDITIONS

- **PRIVACY OF CUSTOMER DESIGN**

We will do everything in our power to keep the customer design secret. We ensure that we will not use your designs and will not share them with other customers.

- **PRODUCT DEVELOPMENT**

If you want to modify existing styles, all modifications/adaptations must be specified in detail. If you want to use your own design, we would need technical sketches of your design, logo artwork, color, leather & lining quality, zipper and other accessories information.

- **RAW MATERIALS**

Depending on your request, we can use either our own materials or the materials you provide. The way material is sourced will be a price-altering factor.

- **SAMPLE-MAKING**

Sample production takes from 2 to 4 weeks. Should there be any defect from our part, we will revise the sample free of charge. However, if the customer requests any modification to the sample, he will receive an invoice for the revised sample.

- **MINIMUM ORDER QUANTITY**

Each color/style minimum order quantity is about 75 pieces for the bags, 100 pcs for the small accessories, 50 pcs for the weekender bags. Exceptions could be made depending on the project.

A prepayment of the total price is to be charged prior to the production; and the rest will be paid in full upon shipment. Our prices are «exw» but we could also get you a price quotation for the shipment and this would be reflected on the price.

We highly value the continuity of the business. Therefore, we give great importance to customer service, quality and workmanship. We would neither make false promises nor take on a project we cannot fulfill.

If you provide us with the detailed information of the products you are interested in, we would be happy to assist you.
